Answer

MINISTER OF TEXTILES
(SMT. SMRITI ZUBIN IRANI)

(a) to (d): For promoting investment by multinational companies in the textile sector, Government has allowed 100% FDI through automatic route. In addition, Government offers various incentives and schemes for manufacturing of value-added textile products across various segments in the textile chain and in textile clusters in the country. This includes infrastructure schemes such as the Scheme for Integrated Textile Parks (SITP) under which manufacturing units can also be set up by multinational companies by tying up with the special purpose vehicle/promoters. The scheme has attracted some foreign investment.
